EIR Ref: 2024-007
Date 10 June 2024

Dear

REQUEST UNDER FREEDOM OF INFORMATION (SCOTLAND) ACT 2002

We refer to your requests for information held by the National Park Authority, which were received by email on 13 May 2024.

The information you have requested is environmental information, as defined in Regulation 2 of the Environmental Information (Scotland) Regulations 2004 (EIRs). We have therefore applied the exemption in section 39(2) of the Freedom of Information (Scotland) Act and have processed your request under the EIRs.

Our Response

Details of any Notices/Orders issued by the National Park Authority under the legislation you have referenced are recorded on our planning portal at:

<http://www.lochlomond-trossachs.org/planning/planning-applications/find-an-application/>

A more advanced search using the criteria in your requests can be made at:

<https://eplanning.lochlomond-trossachs.org/OnlinePlanning/search.do?action=advanced>

We therefore advise you under Regulation 6(1)(b) of the EIRs that the information you have requested is already publicly available and easily accessible.

We can also confirm that there are no outstanding invoices or money owed.

Information on Tree Preservation Orders (TPOs) is also published on our website. You can find this at the following link:

We therefore advise, under Regulation 6(1)(b) of the EIRs, that this information is already publicly available and easily accessible.

We can also confirm that there are no outstanding invoices or money owed.

In our capacity as a Planning Authority, we publish a weekly list of received applications, decided applications (committee and delegated), decided appeals, enforcement matters, and other Tree and Access issues at:

<https://www.lochlomond-trossachs.org/planning/planning-applications/find-an-application/weekly-planning-lists-2024/>

Further information

If you are unhappy with our response to your request, you have the right to request a review. Details of our review process are outlined in the attached pages.

Yours sincerely
